Dear Parents/Carers,

We hope you are all well. We can't quite believe that this is the penultimate week of home learning. The end of year 4 seems to have arrived so quickly!

We hope that you all managed to take part in your Middle School visits last week and it was lovely to see so many of you on the video link on Wednesday. Valley Gardens don't yet realise how lucky they are to be getting such a wonderful year group in September.

Please find enclosed some activities for this week's home learning.

As usual, we have included an activity pack for this week which contains maths and English tasks. However, we understand that some of the tasks may be a little tricky. Therefore, if you wish to complete some of the Literacy and maths tasks from the BBC Bitesize in place of these, please feel free to do so.

For extra activities, please refer to the BBC site this week by looking at the link below. On Friday, please complete the BBC math challenge of the week.
