

## Reception Newsletter: 6.5.18

### Indoors and outdoors.

It's been a shorter week but packed full. We have thoroughly enjoyed playing and learning inside and out this week. We used old tyres and made our own rock pools outside and we've been digging for number treasure in the sand. We have also been doing lots of taking away this week whilst building with bricks and solving number problems in games. Maybe you could give your child some practical problems to use their taking away skills e.g. *We have 5 cars, if we put 2 in the garage how many will there be left? We have 6 apples, if we eat 4 how many will be left?* For extra challenge see if your child can solve subtraction problems with numbers above 10. Remember to drop us a line, we love to know what you have been up to.

We have attached a game you and your child might like to play at home. Have fun!

### Royal Wedding Day Party Day!

Don't forget its Party day on Friday. Packed lunches will be provided for all children with the sandwich filling you chose for them at the beginning of the year. Class teachers will have a list on Monday and Tuesday at drop off and pick up time for you to check that the sandwich you chose is still appropriate.

Children can wear red, white and blue or party clothes. Please be careful when choosing party clothes as children will be very busy indoors and out and we need to ensure they remain warm, dry, sun protected and that special clothes are not spoiled.

### St Mary's Church Visit.

Miss Parker's will be visiting St Mary's church in the morning of Thursday 17<sup>th</sup> May. Thank you to parents who have already offered help to walk us to and from the church. We still need adults to support us so if there are any Mums, Dads or grandparents who can spare the time it would be much appreciated.
