

## My Role as a Sports Leader at Southridge First School by a Year 4 Pupil

I wanted to be a Sport Leader with the children of Southridge First School. I decided that as part of my role as a Sports Leader I wanted to make sure all children were part of the school and didn't feel left out. I want to make sure in my role as Sports Leader that everyone is included in a game or has someone to talk to if they are by themselves. I will find children who are alone in the yard and start a game with them to make lunch and break times fun for all children at Southridge.

### Why I wanted to be a Sports Leader:

I will make sure I use teamwork and special fun games to make sure we are good sports and work together.

A sports leader isn't just about being in to sports and playing sports it's about being organised, kind, caring, responsible and making sure children at Southridge feel part of school life always.

I find this role exciting and a challenge and for me it is the next step to being grown up and a responsible young man. I have many ideas to help the children of Southridge get along and I want to help them feel happy at school.
