

# Year 3 Newsletter

Our newsletter is sent out fortnightly to keep you up to date.

Friday 11th April 2025

Welcome to the Year 3 newsletter. As another busy term comes to an end, we would just like to say that we hope you all have an amazing Easter and find time to relax! Read on to see what we have been up to over the last few weeks.

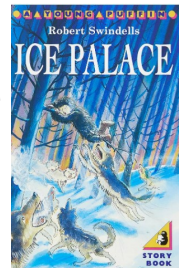

## Gymnastics competition

On Wednesday, 30 children from the year group went to The Parks Leisure Centre in North Shields to represent the school in a gymnastic competition. They all did an amazing job and did themselves and the school proud. Well done to all of the children that took part.

## English

In English we have begun to look at quest stories. We have focussed on a story called 'The Ice Palace'. Over the coming weeks we will be writing our own quest story. We will be focussing on building our complex sentences as well as using dialogue correctly in our stories.

## Hancock Museum

On Monday 21st March we had an amazing day at the Hancock Museum where we furthered our learning in science by doing a workshop all about different types of skeletons. As well as the workshop we attended the planetarium to ask the question, 'Are we aliens?' and had the opportunity to look around the whole museum. We all had a great day!

## History

In our History lessons we have continued to learn all about the Bronze Age. We learned that the Bronze Age people were the first to build monuments. We looked at Stonehenge and discovered why it is so historically important as well as learning about another monument called Merrivale.

## Music

In music lessons we have been learning all about the famous Bob Marley song 'Three Little Birds'. We discussed what we liked and disliked about the song, talked about the rhythm, pitch and beat, and last Friday afternoon we took our music outside and sang 'Three Little Birds' and other songs around a real camp fire! We had lots of fun!

Proud to make a positive impact.
