

Year 3 Newsletter

Our newsletter is sent out fortnightly to keep you up to date.

Thursday 22nd may 2025

Welcome to the year 3 newsletter. As always, we have been full of busy as the summer term gets well under way. Read below to find out what we have been up to over the last few weeks.

Farmer Sam

We have continued to have our half termly chats with Farmer Sam. Last week we saw how he plants his pumpkins and he even promised to send us some pumpkin seeds so that we can plant our own! We look forward to visiting him again in the final half term to see how things are looking for the summer months!

French

In French lessons, we have been learning how to greet people and ask how they are, as well as giving a reply if we are asked the same question. The children have been working hard...Tres Bien!

Dates for the diary

Monday 2nd June—Return to school

Thursday 5th June—Y3 trip to Glendale Country show.

Monday 16th June—Year 3 Sports day

Monday 23rd June—Meet Year 4

Thursday 26th June—Coastal visit

Tuesday 1st July—Drop in session to new year group

Thursday 10th July—reports home to parents

Friday 18th July—Break up for Summer holidays.

Upcoming class visits

As you hopefully heard last week, in year 3 we are going on 2 separate ventures out of school over the coming weeks. We will be having a walk to the coast on Thursday 26th June to support our work in art where we have been studying the work of local artist Emily Ward.

On Thursday 5th June, we will be taking a coach to Northumberland to visit the Children's countryside show where the children will experience how British agriculture works. We attended the event last year and all had a magnificent time! If you are able to help out with either of these events please let us know.

Computing

In our computer lessons we have been using a program called 'Sketch up'. This program allows the children to build 3D models using the computer. It also helps them with their measurements as they are building in metres and centimetres. It also allows them to be creative. They have produced some lovely work.

Proud to make a positive impact.
