

# Year 3 Newsletter

Our newsletter is sent out fortnightly to keep you up to date.

Friday 27th June 2025

Welcome to the Year 3 newsletter. As we move towards the end of the academic year, there has been all sorts of exciting things happening across school. Read below to find out more!

## Sports Week

We all enjoyed Sports week across school last week. On Monday all of the children did superbly well during sports day and ended the day with a sticker and certificate each, and most importantly, smiling faces!

We had a visit from a lady called Jenny who talked to us about the importance of having a positive mindset, not only in sports but also in life.

We were also visited by a real Olympian last week! Mica McNeil, who has represented Great Britain in bobsleigh at two separate winter Olympics came into school to chat to the children and hopefully inspire them to follow their dreams and goals. She also organised a fun obstacle course for the children to take part in. All in all, we had an amazing week!

## Upcoming dates

Tuesday 1st July—Drop in session to new year group

Thursday 10th July—reports home to parents

Friday 18th July—Break up for Summer holidays.

## Visit to Valley Gardens Middle School

On Monday, Mr Price's class had the opportunity to visit VGMS to visit Mr Hughes the science teacher. As well as having a tour of the school from former Southridge pupils, the children were also able to take part in an exciting science experiment which involved heating water using a Bunsen burner! Fear not, Mrs Burton's class, you will get your chance to visit in a couple of weeks time!

## Pasta Making!

The children got the chance to make their own pasta from scratch when our school food suppliers 'Mellors' came into school. We also got to try it...it was delicious!

Proud to make a positive impact

## Coastal Art trip

On Thursday, we had a walk down to the sea front to take advantage of the natural beauty on our coastlines and sketch St Mary's Lighthouse. This trip supported the work we have been doing in art this term where we have been learning about the coast. We had a great time and only got slightly wet!
