

YEAR 4 NEWSLETTER

Our newsletter is sent out fortnightly to keep you up to date.

Friday 27th June

The children have been working incredibly hard, especially during this busy term. They have been enthusiastically preparing for their leavers' assembly and are excited to share their special memories with you. As the end of the year approaches, the children are also looking forward to their transition days to middle school, ready to take on new adventures and challenges.

English and Sport

Outdoor Learning was full of energy and excitement during Sports Week as we combined fitness with wordplay! We raced around the yard and field in a fast-paced challenge to match prefixes with their

meanings—think brain power meets running shoes! There was lots of laughter, teamwork, and definitely plenty of steps counted as we dashed between clues.

We also welcomed winter Olympian Mica McNeill. She taught us all about resilience in sport. It was a brilliant, inspiring session, and we enjoyed a day full of motivation, movement, and memorable moments. A perfect way to round off an action-packed week!

A date for your diary! Our Year 4 Leavers' Assembly will be held on Thursday 11th July at 2PM—and trust us, you'll want to have your tissues at the ready! Expect plenty of laughter (and probably a few happy tears) as we take a heart-warming trip down memory lane to celebrate the children's amazing journey so far.

But the fun doesn't stop there! After the assembly, the children will have time to head home, get into their glad rags, and return looking disco-ready for our End of Year Disco, also on Thursday 11th July from 4:30pm to 6:00pm. It promises to be an unforgettable evening filled with music, dancing, snacks, and maybe even a few questionable dance moves from the teachers. It's the perfect way to end the term with a bang!

Middle School Transition

Next Tuesday and Wednesday, students will have the exciting opportunity to experience their "Move Up to Middle School" days. This special event is designed to help them get familiar with the school building, meet new friends and teachers, and sample some delicious lunch options. They will also take part in lessons held in different classrooms, giving them a real taste of what middle school life will be like. It's a great chance for the children to feel confident and well-prepared ahead of their new adventure starting in September. We look forward to hearing all about it next Thursday!

Times Table Check

The children have all worked incredibly hard this year to master their times tables, showing great determination and perseverance along the way. We're very proud to let you know that every child has now completed their Times Tables Check, and we are delighted with their efforts and progress. This is a fantastic achievement and a real testament to their hard work throughout the year. Results will be shared with you in the end-of-year reports. Well done to all!

End of year timetable

The end of the year is fast approaching, and the children have worked incredibly hard to prepare themselves for middle school. As a special treat to celebrate all of their fantastic efforts, we have enclosed the end-of-term activity timetable. There's lots to look forward to, including exciting trips to Hotpotz and the beach, as well as our much-anticipated end-of-year talent show! So over the next few weeks, start practising your singing, dancing, magic tricks, or any other talents you'd like to share—it's your turn to entertain your teachers! The office will be sending out a Google permission form next week for you to complete, so please keep an eye out for that.

Diary dates
