

YEAR 4 NEWSLETTER

Our newsletter is sent out fortnightly to keep you up to date.

Friday 11th July

As our wonderful Year 4 students prepare to take their next big step into middle school, we want to say how incredibly proud we are of each and every one of you. You have worked so hard, shown great resilience, and grown in so many ways during your time here. Although we will be sad to see you go, we know you are more than ready for this exciting new chapter. You leave us confident, capable, and well-prepared for all the opportunities and challenges ahead. Keep shining brightly and never stop believing in yourselves - we'll miss you dearly, but we can't wait to hear about all the amazing things you'll go on to do!

The children have thoroughly enjoyed their recent visits to their new middle schools, and the feedback has been overwhelmingly positive. These visits have given them a wonderful opportunity to explore their new environments, meet some of their new teachers, and begin to find their way around the buildings. Many have already started to form new friendships, which has helped ease any nerves and build excitement for the next step in their journey. It's been fantastic to see their confidence grow as they prepare for this transition, and we're so pleased they've had such a positive and welcoming experience.

Our much-anticipated Talent Show is just around the corner, and we can't wait to see what amazing performances our talented Year 4 students have in store! Whether it's singing, dancing, playing an instrument, telling jokes, performing magic tricks, or showcasing any other special skill, we know you'll put on a show to remember. Please begin rehearsing your acts at home so you feel confident and ready to shine on stage. This is your chance to entertain the teachers and your friends, and we are so excited to celebrate all the creativity and confidence you've developed this year.

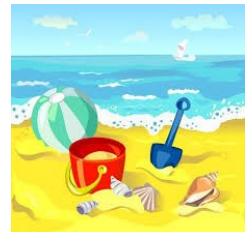

Let the rehearsals begin!

**TALENT
SHOW**

As we approach the end of term, we will be sending home books, artwork, and other personal items, so please ensure your child brings in a large bag to help carry everything home safely. Any remaining clothing or lost property that is not collected by the end of the week will be donated to the PTA, so please check that your child has all their belongings. Additionally, any medications kept in school, such as inhalers or EpiPens, will need to be collected by an adult on Friday afternoon.

Thank you for helping us ensure a smooth and organised end to the school year.

As we move into the final week of term, the children have lots to look forward to, including sports activities, Hotpotz, and of course, our exciting beach trip on Friday! With the sunny weather expected to continue, we'd like to remind everyone about the importance of staying safe in the sun. Please ensure your child comes to school with a sun hat, a water bottle, and has applied a high-factor, long-lasting sunscreen before arrival. Sunglasses are also welcome if needed. We'll be spending lots of time outdoors, so keeping cool, hydrated, and protected is essential. For our beach day, children are also welcome to wear non-uniform and bring a small bucket and spade for sandcastle building, along with a towel to sit on or dry off with if they get a little wet paddling. It's set to be a fantastic day full of fun and memories!

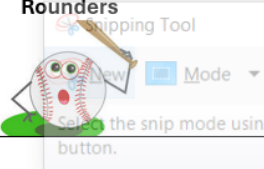

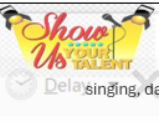

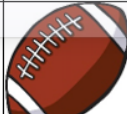

We would also like to take this opportunity to sincerely thank all the parents and carers for your incredible support throughout the year. From helping with homework to encouraging your children through the ups and downs of learning, your involvement has played a vital role in their success. It has been a true pleasure working alongside you, and your partnership has made a real difference. We are so grateful for the time, care, and dedication you've shown. Wishing you all a relaxing and joyful summer holiday - you've earned it just as much as the children have!

We are proud to make a positive impact!

Year 4 Final Activity Week
