Guidance for schools when completing the above:

The yellow sections can be populated by Governor Services. The grey section is available for schools that buy into the Clerking SLA.

Governors are required to report direct and indirect interests on the school's website a school should obtain the following information from governors:

- Ownership or partnership of a company or organisation which may be used by the school to provide goods or services.
- Goods or services they offer which may be used by the school.
- Any close relationship they have to someone who satisfies either of the above.
- Any close relationship they have to someone who is employed by the school or is within the governance structure.
- Company directorships and/or charity trusteeships.
- Details of any other establishments of which they are a governor, trustee or member.
- Indirect interests where they might benefit by virtue of their relationship with a "connected person". Any circumstances in which a person stands to benefit, even indirectly, is also an interest that must be recorded.

Re. Associate Members

As above, and the website should advise which committees they are a member of and what their voting rights are on those committees.

Please note, in accordance with the Governing Body's Code of Conduct governors may be suspended for failing to provide the information above.
