

Just to say a very Merry Christmas and to give you some ideas and top tips for filling in those long, dark winter days.

🎄 1. Christmas Counting Challenge

- Count how many Christmas trees, stars, or baubles you can find at home.
 - Parents can hide small festive items for children to count.

🎨 2. Festive Art Challenge

- Draw or paint your favourite Christmas character (Santa, reindeer, snowman).
(Use recycled materials to make a Christmas decoration).

📖 3. Story Time Challenge

- Read a Christmas story with your family and draw your favourite part.
(Encourage children to retell the story in their own words)

❖ 4. Shape Hunt Challenge

- Find objects around the house that look like Christmas shapes (circle = bauble, triangle = tree).

🍪 5. Baking Challenge

- Help an adult bake festive cookies or decorate a gingerbread man.
Talk about the shapes and colours you use

🕺 6. Sing & Move Challenge

- Learn a Christmas song and make up a dance to go with it.

🎁 7. Christmas Treasure Hunt

- Hide small festive items around the house and give clues.
(Great for developing problem-solving and listening skills).

Important Diary Dates and Information

We will be sending the wetsuits home for a spring clean could you please bring them back on Tuesday 6th January as we will be accessing the outdoor area.

Teacher Training Day - Monday, 5th January 2026.

Return to Nursery - Tuesday, 6th January 2026.
