

## This Week in Nursery

We've had a busy, exciting, and very creative week in nursery, and we're delighted to share some of the highlights with you!

## Exploring the Number 5

This week we focused on the number five through some well-loved nursery rhymes, including Five Little Ducks, Five Little Men in a Flying Saucer, and Five Little Speckled Frogs. The children used hand puppets and enjoyed drawing around the number 5, searching for it around the classroom, and counting out sets of five objects.

## From Vets to Doctors

Our vet role-play basket transformed into a doctor's surgery. The children dressed up as doctors, explored real X-rays, and made appointment lists and treatment plans—fantastic imaginative play and mark-making!

## Mud Kitchen Magic

Rain or shine, the mud kitchen stayed open! Using our new mud kitchen recipe books, the children created imaginative dishes and potions.

## **PE: A Winter Wonderland Adventure**

In PE, we went on a magical journey through a winter wonderland. The children listened carefully to changing music and loved moving in different ways around the hall.

### **Magical Mischief Day**

Our sand and water mysteriously turned red, the craft area filled with Valentine-themed activities, and we made lovely red play dough.

### **Miss Parker**

Unfortunately, Miss Parker has not been in nursery this week due to a serious illness. The children have continued to enjoy a happy and settled week with the support and continuity of the rest of our nursery team, along with the addition of the lovely Miss Hopper. Miss Hopper is a qualified teacher who has had a wonderful time getting to know and working with the children, and they have responded to her beautifully. We all wish Miss Parker a speedy recovery and hope to see her back with us after the half term.

## **Important Diary Dates and Information**

### **A Little Reminder**

If your child has borrowed nursery clothes recently, we would be very grateful if they could be returned. Our supplies are running low and returning items helps us keep everyone comfortable. Thank you!

Monday 23<sup>rd</sup> Feb: First day of Spring 2 half term

Have a wonderful week

Take care,  
The Nursery Team 😊
