

End of Year Nursery Farewell

As another wonderful year comes to an end, it is time for us to say a fond farewell to our amazing nursery children as they move on to their next adventure.

It feels like only yesterday they walked through our doors, many taking their very first steps into a new environment, and now we are watching them leave as confident, capable, and curious young learners. We have been privileged to see each child grow in so many different ways—developing friendships, building independence, learning new skills, overcoming challenges, and discovering just how much they are capable of achieving.

Throughout the year, we have shared countless special moments together. From laughter-filled play projects and creative activities to memorable celebrations and exciting discoveries, every child has brought something unique and special to our nursery family. We are incredibly proud of all they have accomplished and of the wonderful individuals they are becoming.

Both Mrs Strong and I are very sorry to see them go. Saying goodbye is never easy, especially after spending so much time watching them learn, grow, and flourish. However, while we will miss them greatly, we also feel immense pride in all they have achieved and excitement for what lies ahead.

As they move on to Reception classes, we have every faith that they are ready for the journey ahead. We truly believe that, together with your support, we have done the very best possible job in preparing them for the future. They leave us with strong foundations, a love of learning, confidence in themselves, and the resilience to embrace new experiences and challenges.

To all our families, thank you for your kindness, support, and trust throughout the year. It has been an honour to be part of your children's early learning journey. We wish each and every one of our leaver's happiness, success, and endless opportunities as they take their next steps.

We know they will continue to shine, and we cannot wait to hear about all the wonderful things they achieve in the years to come.

With warmest wishes and fond farewells,

Tanya Parker and Carol Strong
