YEAR 4 NEWSLETTER

Friday 23rd October

WHAT WE HAVE BEEN LEARNING

English

In English, the children have been writing diary entries from Howard Carter's perspective after discovering Tutankhamun's tomb. They have used emotive language and descriptive vocabulary to capture his excitement and amazement at finding this incredible discovery.

Maths

In maths, the children have been learning about polygons and their properties, with a particular focus on quadrilaterals and different types of triangles. They have been identifying, comparing and classifying shapes by looking at their sides, angles and properties.

History

In history, the children have been exploring the Ancient Egyptian mummification process. They have learnt about the different stages involved in preserving a body and discovered why mummification was so important to the Ancient Egyptians and their beliefs about the afterlife.

P.E

In PE, the children have been developing their skills in invasion games. They have been learning about the roles of attackers and defenders, as well as exploring how to work effectively as a team, support their teammates and make positive decisions during games.

PROUD TO MAKE A POSITVE IMPACT

NOTE FROM THE TEACHERS

The children have had a fantastic and successful term, and we are incredibly proud of the progress they have made, the effort they have shown and the positive impact they continue to make around school. They have worked hard, shown kindness and supported one another throughout the term. We hope everyone has a lovely, relaxing half-term break and look forward to welcoming the children back refreshed and ready for another exciting term!

PE DAYS AUTUMN 2

Year 4 will do P.E on Tuesday and Thursday. As the weather gets colder, please ensure your child has appropriate clothing for PE, particularly for outdoor lessons. This may include warm joggers and an extra upper layer such as a sweatshirt.

ENRICHMENT

THE GREAT NORTH MUSEUM

The children had a fantastic visit to the Great North Museum! They began by exploring the museum before taking part in an Ancient Egyptian workshop, where they learnt about the different roles and jobs in Ancient Egypt. To finish, they explored the Ancient Egyptian section of the museum, bringing their history learning to life. The children represented our school incredibly well, and we are very proud of their behaviour and enthusiasm throughout the day. A big thank you to our parent helpers for giving up their time to support the trip!

Harvest Assembly

The children did a wonderful job during their Harvest Assembly! They spoke confidently and sang beautifully, making us incredibly proud. We hope you enjoyed watching their performance as much as the children enjoyed sharing it with you. Thank you for your generous Harvest donations and for your continued support.

DIARY DATES

- Monday 2nd November- Teacher training day
- Tuesday 3rd November- Return to school
- Friday 11th December— 1.15pm Christmas Carol Service at St Mary's Church
