

Year 3 Autumn Term Newsletter 2018

Dear Parents/Carers,

Welcome back to the new school year! We hope you had a great summer. We have already enjoyed a wonderful week getting to know the children and look forward to supporting your child's transition into Year 3.

Here is a quick reminder of the routines in Year 3.

1. Spellings are given out every Friday to be tested on the following Friday morning. Please ensure your child remembers their Home Reading book that day to stick the new spellings in.
2. Homework will be given out on a Thursday to be handed in on the following Monday. The children are not expected to work for more than 30-40 minutes altogether. Every other week we will be giving out maths homework and this will sometimes be MyMaths, the details of this will be put in the back of the children's homework books.
3. Swimming will take place on Thursday afternoons until the 13th December. Please ensure that your child has their towel, goggles and costume in a waterproof bag, labelled correctly.
4. Reading books have been sent home this week. The books may be returned as soon as they are completed and please remember to sign to say you have heard your child read.
5. Thank you for labelling your child's equipment and clothing. Please ensure that this continues when they get new items. As the weather gets colder we still like to partake in sports outside, so please make sure your child has appropriate sports clothing in the school colours.

This term we will be studying the Stone Ages through to the Iron Age. As part of the topic we have organised an exciting and educational visit from Durham University to our school. Further details will follow shortly. We always appreciate any books, artefacts, pictures etc that you could provide to support our topics.

We look forward to happy and successful Year 3 with you and your child!!

Best Wishes

Miss Flitcroft and Mr O'Hara
