

Reception Newsletter: 27.9.17

Another wonderful week in Reception Class!

We wanted to thank you for:

- Coming forward to collect the children at the end of the day because it is so much easier to see that they get to their parent or carer safely.
- All your kind words both verbal and on the feedback sheet for the workshop evening.
- Your help in settling the children so well and having faith in us.
- Your help encouraging the children to pick from the school menu.

Reminder

Please put all reading materials in plastic wallets to return to school every day as we may need them for small group or individual work.

No water bottles in book bags please. They must be carried separately as they leak.

Send us your quotes about how well children can help you count out things this week.

Socks in the washing, spoonfuls of things, pasta, cars up the street, pennies in the piggy bank.

Count the pound coins you collect from your sponsored run.

We need more parents to help on the Red House Ramble on Friday 11th October. Currently our policy is a ratio of 1 adult to 4 children means we need at least 8 adults per class and currently we each have 3.

The ramble cannot go ahead without your support.

Parent Observations

We are currently learning the 'Little Red Hen' as part of our Talk for Writing.

Look on line or in the supermarket at the different types of bread you can get.

Take pictures, count or make a list of what you found at the bread aisle.

Alternatively take a trip to the bakers with your Mum and Dad and ask them about bread

You could even try making bread of your own.

Don't forget to record the sentences your child says. Contained within this will be useful information for assessment across a number of different areas.

We really enjoyed the Harvest Festival. Weren't they amazing and so brave to get up in front of you all?

That really is testament to how well they have settled and grown in confidence in such a short time.

Thank you for your donations for Whitley Bay food bank.
