Nursery Newsletter 11th June 2021

Welcome back! We hope you all had a restful week off and are ready for our last term in Nursery. We started off the week with a big holiday news catch up! The children were so excited to share their holiday news with us and it was just gorgeous to hear about the experiences they have finally had which have been put on hold for so long.

We have talked about the seasons this week and compared winter and summer. We shared our experience of summer and thought carefully about all the things we would pack to take on a trip to the beach.

We read *The Black Rabbit* by Philippa Leathers this week. A very sweet story about a little rabbit with a big problem. It didn't take our clever Nursery children long to figure out what was following the little white rabbit! This led to some lovely scientific discussion about shadows followed by lots of exciting investigation outside.

In phonics we have been learning about the phoneme /r/ and the sound it makes in words like rainbow, ruler, rabbit and ribbon. It is a long, stretchy sound. We use the picture to help us remember this sound and the formation rhyme to help us write it: down the robot's back and curl over his arm.

Many thanks for all the emails this week. Please continue to send anything for your child's learning journey to laura.heads@ntlp.org.uk and helen.mason@ntlp.org.uk

We hope you all a super weekend we will look forward to seeing you again on Monday.

The Nursery Team
