

Recognising and sorting 2D and 3D shapes

● Match these shapes to the correct labels.

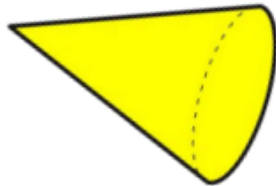

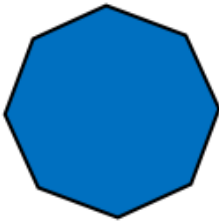

cylinder

triangle

cone

circle

● Match these shapes to the correct labels.

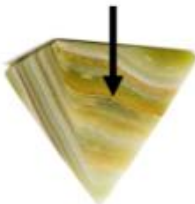

pentagon

cuboid

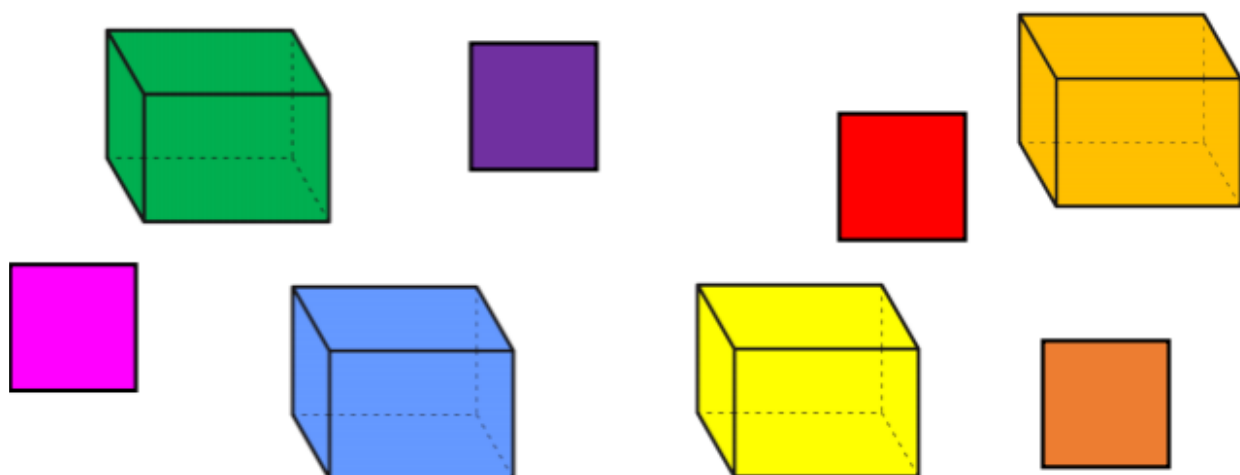

octagon

cone

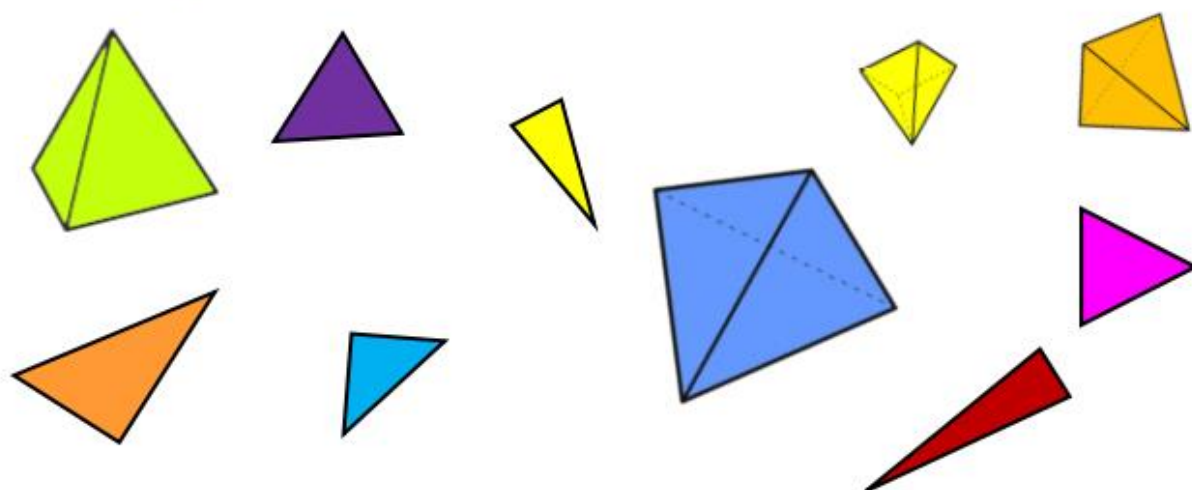

● Label the 2D shapes you can see on the faces of these 3D shapes.

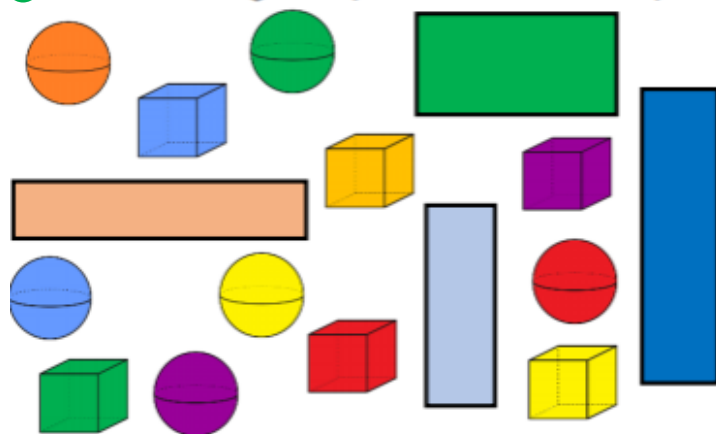

● Tick the squares and circle the cuboids.

● Tick the triangles and circle the pyramids.

● Sam is making a tally chart of all the shapes he can see.

Shape	Number of Shapes
Rectangle	
Sphere	
Cube	

Find and correct his mistakes.
