Sports Day

Unfortunately the weather has not been kind to us this week which led to our school field being saturated and Sports Day postponed. We had a fabulous day today and the children were fabulous. Thank you for your understanding.

Transition Day.

On Tuesday 2nd July Reception children will be visiting their new classroom and spending a short time with their new teacher. The children will be well supported to ensure they have a fun and positive experience. Miss Parker's children will be moving up to Mrs Pringle and Mrs Mason's children will be moving up to Mr Willcock.

Year 1

Maths

In numeracy we have been counting in 2's, 5's and 10's! We have also been thinking carefully about place value. When looking at teen numbers we know that 1 always comes first e.g. 16 where 1 means there is one ten. 16 has one ten and six.

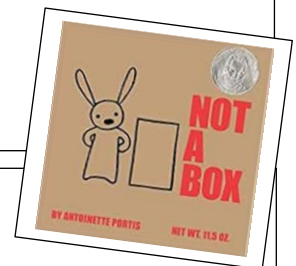

Please find attached some number formation practise which your child might enjoy doing at home. During this activity you may like to discuss and reinforce place value with your child.

Literacy/

Expressive Arts and Design

This week we have been reading the book 'It's Not a Box' by A. Portis and the children have been using their imagination to reinvent their box into anything they want. This has been very exciting and they have had some wonderful ideas.

How about working on a box at home this weekend? Child can draw a picture and write a sentence or two in their weekend news book.

Have a lovely weekend everyone!
