Dear Parents/Carers,

We hope you are all well.

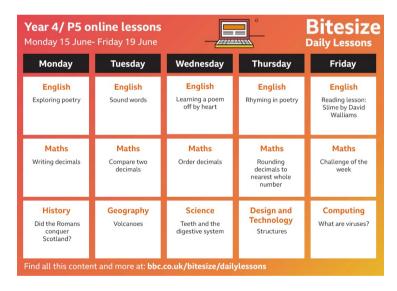

Thank you so much for helping your child to complete their 'Memories of Southridge' activity. Some of their ideas for the poems were delightful. Well done!

All friendship information has now been collated ready to be passed on to Valley gardens. (Please check that the power point activity on the Valley transition website page has also been completed and returned to Mr Roys.)

We have been very busy writing end of year reports and as always, we feel it is important to include on the back page a contribution from the children. Enclosed as part of this week's home learning is an extra activity for the children to complete. **This needs to be emailed back to school no later than Wednesday 17**th **June.** (Please note, if your child has been in school, they have already completed this activity.)

We have included an activity pack for this week which contains maths and English tasks. For extra activities, please refer to the BBC site this week by looking at the link below. On Friday, please complete the BBC math challenge of the week.

For any extra, we ask that you please refer to the Oak National Academy.

Regards

Mr Harrington, Mrs McIntosh and Miss Young
