

Southridge First school Nursery Newsletter 23rd October 2020

We read a lovely story on Monday about a penguin and his friends who had an unexpected adventure one windy day. After the story we went out onto the big school yard with our rainbow streamers and the big kite to see if we could find some wind. Luckily, the wind picked up and we began to see our streamers fly above our heads. We danced around the yard with little bells attached to our wrists and streamer flying high, it was a magical sight! We also managed to fly the big kite without it taking us off into the sky like the penguin Blue. It was great fun!

We have been listening to different rhymes and rhyming stories this week and trying to spot some of the rhyming words. What are your favourite rhymes to read or recite at home? Can your child hear the rhyming words? Try repeating the rhyming words to your child and saying them aloud together.

Popular activities this week have included fixing and joining all kinds of recycled junk together in the creative area, painting on the screen in the Nursery garden and getting messy whilst investigating and scooping out the insides of pumpkins and winter squash.

We have also been learning the rhyme to help us recognise and make a number two. We have used our magic finger to trace the number two and to practise drawing it on our friend's back.

Half a heart says "I love you."
Add a line. Now I've made the number two.

On Friday your child will bring home the bag that has been kept on their peg this half term and their wet suit. You might find wet suits need to be washed as they are well used and get very muddy! Please can we ask that you try them on at home and make sure they fit over your child's winter coat. If you do need to buy another, we recommend the lightweight puddle suits as fleece lined suits are difficult for children to get on independently.

In addition, can we also ask that all uniforms are checked over the holidays to ensure they still have names in them.

Apologies for the incorrect email address in the previous newsletter and many thanks for persevering to get your messages to me this week. Please continue to send anything for your child's learning journey to helen.mason@ntlp.org.uk

Have a super half term break and we look forward to seeing you again on Monday 2nd November. The Nursery Team
