Criteria for qualification for remission are given below.

Where the trip takes place wholly, or mainly, during school hours, children whose parents are in receipt of the following support payments will, in addition to having a free school lunch entitlement, also be entitled to the remission of these charges:

- a. Income Support;
- b. Incomebased
Jobseeker's Allowance;
- c. support under part VI of the Immigration and Asylum Act 1999;
- d. Child Tax Credit provided the parent is not entitled to Working Tax Credit
- e. Guaranteed State Pension Credit

A similar entitlement applies where the trip takes place outside of school hours but it is necessary as part of the national curriculum, forms part of the syllabus for a prescribed examination that the school is preparing the pupil to sit, or the syllabus for religious education.

In respect of (d) above, the amount taken into account will be revised periodically in line with changes to the amount published by the DfES.

8 Voluntary Contributions

Parents will be invited to make a voluntary contribution for the following:

- a) transport provided in connection with an educational visit.
- b) entrance fees and insurance costs in connection with an educational visit
- c) Some materials and equipment e.g. recorders,
- d) Visitors delivering activity workshops

The terms of any request made to parents will specify that the request for a voluntary contribution and in no way represents a charge. In addition the following will be made clear to parents:

- a) that the contribution is genuinely voluntary and a parent is under no obligation to pay; and
- b) that registered pupils at the school will not be treated differently according to whether or not their parents have made any contribution in response to the request.

The responsibility for determining the level of voluntary contribution is delegated to the Headteacher.

Voluntary contributions will be used to:

- Facilitate regular trips and visits that would not be possible if the school did not recoup some of the expense through voluntary contributions
- Allow for regular activities in which the pupils will retain or consume the materials meaning that it would not be possible to sustain these activities if the school did not recoup some of the expense through voluntary contributions.

9 Charges for Extended Activities

Charges are made for optional, extra activities provided outside of the school day, for example Friends of Southridge Activities – discos, fairs etc.. Charges are also made for extended activities provided in or around the school by, or on behalf of the Governing Body.

A schedule of charges for individual activities currently provided on or around the school site is available on request.

The Governing Body has decided that charges may be reduced for some activities in the following circumstances:

- Activities which directly benefit pupils attending the school
- Activities which meet school and/or LA priorities
- Where siblings attend the school/take part in the activities
- Parents on benefits
