

Reception Newsletter: 7.2.20

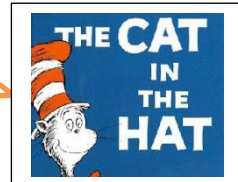

This week's enrichment day has been all about weather. We have sorted clothes to match the right weather conditions and have been describing the weather as a 'weather person' on t.v.

In addition we learnt about weather around the world. Discussed our favourite weather and read stories such as *One Snowy Night*, *The Cat in the Hat* and *Cloud People*.

The sun did not shine it was too wet to play so we sat in the house all that cold cold wet day

It's been 'double trouble' in maths work this week. Children have been singing along to rhymes and songs that evoke an understanding of what doubling numbers actually means.

Taking away has also been a focus for us with children making up their own number sentences for their friends and themselves.

We learnt the signs - and =, and reinforced the language of subtraction, take away, less than.

Our Talk 4 Writing began with the story of 'The Three Little Pigs'.

We made houses from straw, sticks and bricks.

We have had puppets to retell the story.

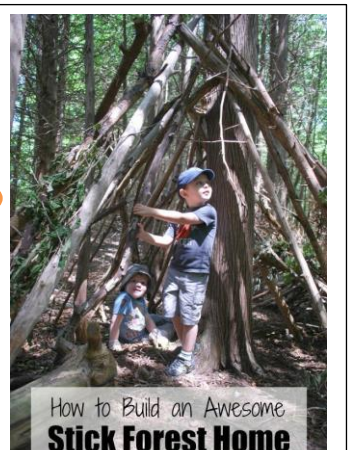

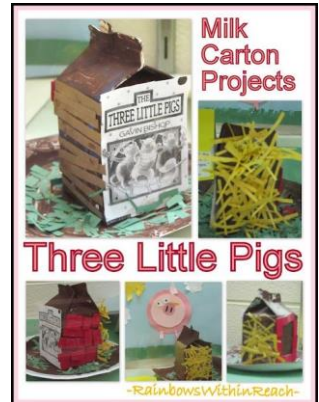

Some children have enjoyed writing about the story in the writing area.

Other children decided to make houses from our junk modelling.

See some of the ideas alongside to try at home. Send them in to us.

I wonder if your child could write a list of instructions about how they did it to share with others.

We look forward to seeing you at the progress meetings before and after half term. Please leave time after to look through your child's books.
