

Summer 2 week 2 / Spy Kids / Reception

Day	Monday	Tuesday	Wednesday	Thursday	Friday
Ideas and activities	<p>Begin your day with a spy work out on that will keep you as fit as James Bond. This should include a scooter ride, a run or jog, an agility course to test your wits.</p> <p>Now its time to make yourself a back pack, suitcase or bag with all the things in that spies need. A note book A magnifying glass or binoculars, A camera Dark glasses so you are not recognised. A hat A coat A false moustache or a wig so people do not know who you are. (don't forget to pack a snack) .</p> <p>Use one of your dens to make a secret hide out with your things in . Don't forget to make a password for people to enter so you know who you can trust!</p> <p>Make yourself a spy name and ID card using the template we have given you. Fold it in half and write your secret name on the back so no one can see it.</p>	<p>Begin your day with a spy work out on that will keep you as fit as James Bond. This should include a scooter ride, a run or jog, an agility course to test your wits.</p> <p>Complete the spy symmetry to guess the 2D shapes. Name them and write them down. Watch our favourite 2 D shape song to remind you of their names. https://www.youtube.com/watch?v=WTeqUeif3D0</p> <p>Make some secret spy spectacles. Using you spy spectacles look for the hidden words in the Phase 3 phonics word search. Try not to ask for help unless it's a strategy to find them. I like to go across in lines looking for the first letter then if I see one I look around it for the second letter in the word.</p> <p>Spot the difference Crime Scene</p> <p>Complete the Morse Code activity.</p>	<p>To extend yourself make an agility course that is harder than the previous days. Challenge yourself and time yourself to see if you get faster.</p> <p>Compete the spy 3D shapes hunt with your spy gear. Learn their names. If you're unsure keep watching the song we all love : https://www.youtube.com/watch?v=2cg-Uc556-Q</p> <p>Phase 3 tricky word search with your spy specs.</p> <p>Spot the difference Happy challenge.</p> <p>Shoe Print Detective challenge.</p>	<p>Use the juice of a lemon to write a secret message. https://www.youtube.com/watch?v=poCnU_crpiQ</p> <p>You could always post them through the door of a friend and they could get the help of family to reveal your secret message.</p> <p>Create your own spy tool https://www.topspysecrets.com/keyhole-spy-tool.html</p> <p>Guess the shape : https://nrich.maths.org/12203</p> <p>Test your memory skills using the Spies Memory Skills tray sheets.</p>	<p>How to build a periscope https://www.topspysecrets.com/how-to-build-a-periscope.html</p> <p>guess the shape: https://nrich.maths.org/12204</p> <p>Make your own 2D shapes and cut them out to make a picture.</p> <p>Spy Triangle challenge: https://nrich.maths.org/12204</p> <p>You must be careful not to leave your finger prints so you are not identified. Complete the handwashing writing sheet so you know how best to disguise where you have been</p>
