How we spent our Catch-up Premium 2020-21

Income: £9,999

Expenditure: £13,960

Details:

Additional staff employed between the post lockdown return to school (Spring 2021) and the end of the summer term July 2021.

1 x 0.1 qualified, experienced teacher providing booster sessions to Year 4 children

1 x 0.1 qualified, experienced teacher providing booster sessions to Year 1 children

1 x 0.8 qualified, experienced teacher providing booster and 1:1 sessions for children in Reception to Year 4

Impact:

Teaching staff used ongoing assessment for learning to identify where specific children had specific gaps in their literacy and numeracy and worked with the additional staff on what to plan and deliver. Resulted in vast majority of children working at Age Related Expectations by the end of the 2021-22 academic year.
