

Reception Newsletter 25th June 2021

What another exciting week in Reception! Sports Day was a huge success and enjoyed by everyone! We loved the obstacle course, leapt over hurdles, threw javelins with all our might, carefully carried eggs on spoons and then ended the morning with a sprint race across the school field! We were so proud of everyone's efforts on the day and so celebrated with an ice lolly in the sunshine afterwards. A perfect end to a perfect sports day!

It may be fun to recreate the sports day at home or in the park, practise some of the key skills we have learnt.

Expressive Arts:

This week the children have been learning about Vincent Van Gough and studying his paintings, including the famous sunflowers. The children have enjoyed colouring or painting their own version of this famous and iconic painting.

The children have been testing their musical ears and learning about the xylophone. We began by listening to a piece of music, discussing how it made us feel and whether we enjoyed it. We then learnt to play the key's 'C' and 'D' on a xylophone and used these new skills to join in with the music, counting ourselves in and then stopping when directed. This was so much fun and we are looking forward to practising again next week with even more keys!

Important Information:

- A big thank you for continuing to support the children by providing sunhats and applying sunscreen before the children come to school.
- Please can you make sure that the children bring their PE kits in school for Monday's PE lesson (for both classes).
- If you still have your child's wetsuit at home can they bring that in too as we have lots of fun water activities in our water area outdoors to enjoy.

Have a lovely weekend, best wishes from the Reception Team.
