

Spring 1 Week 6 Home-School Learning Timetable

Day	Phonics	Maths Focus	Lunch	Story time	Areas of learning EYFS
Monday	<p>This week we want to continue with hold a sentence work. See 'Hold A sentence' session in Reception's top tips on the website A sample of sentences to use each day are available in week 6 of the home learning plans.</p>	<p>Sing along to these 2D shape songs on you tube : https://www.bbc.co.uk/bitesize/clips/zhnvcdm</p> <p>Make a Chinese dragon with 2D shapes or download the template for today form the home learning file.</p>	<p>Discuss the fact that on 12th February it will be Chinese new year. Research whilst lunch is cooking what it is? (our website has power point if you can access)</p>	<p>Clever Sticks</p> 	<ul style="list-style-type: none"> Can you get some chop sticks and see if you can pick objects up. Have a race to see how many things you can pick up in 30 seconds. The objects could be anything, dry pasta penne, cotton wool buds, marbles, small play animals etc. Make a paper plate Chinese Fan   <p>https://thepinterestedparent.com/2017/01/paper-plate-hand-fans/</p>
Tuesday	<p>Remember each day you can encourage children to take part in the games on 'letters and sounds.com' pitching it at whatever level you wish from simple 3 letter words to digraphs and trigraphs.</p>	<p>Counting forwards and backwards from any number that you are confident with.</p> <p>Jack Hartmann has a number of active counting sessions to keep your little ones on the move whilst they are moving.</p> <p>Whilst they are in an active mood draw a hopscotch grid outside with either numbers to 10 or 20. This is good for balance, coordination as well as understanding of number.</p>	<p>Have a go a making some kids Chinese lunches this week. See the recipes we have selected or try some of your own. It's a great way of supporting measurement including time as well as weight and capacity.</p>	<p>https://www.bbc.co.uk/cbeebies/radio/my-cbeebies-special-day-chinese-new-year?collection=chinese-lunar-new-year</p>	<ul style="list-style-type: none"> Watch a lion dance on cbeebies <p>https://www.bbc.co.uk/cbeebies/watch/lets-go-club-chinese-lion-dance?collection=chinese-lunar-new-year</p> <ul style="list-style-type: none"> Make a lion mask and use a sheet for the back part of your lion. Follow the video to learn the lion dance. This can be part of your daily exercise. Make a video and send it to each other and you can see everyone's costumes. Make a Chinese drum to add music to your lion dance. (see below) <p>https://www.bbc.co.uk/cbeebies/makes/chinese-rattle-drum-make?collection=chinese-lunar-new-year</p>

Spring 1 Week 6 Home-School Learning Timetable

Wednesday		<p>See Wednesday maths guidance for a practical activity supporting 'Talking maths' and number bonds to 5 or 10.</p> <p>If children are ready begin to record the answers.</p>		<p>Watch Abbie and her brother getting ready for Chinese New Year</p> <p>https://www.bbc.co.uk/cbeebies/watch/chinese-new-year?collection=chinese-lunar-new-year</p>	<p>Get your house ready for new year this afternoon. It's time to clean throughout like Abbie and decorate.</p> <p>See decorations ideas and whilst you're making and decorating why not listen to some Chinese party music.</p> <p>https://www.youtube.com/watch?v=qg7DHYrrc_U&list=RDqg7DHYrrc_U&start_radio=1&t=0</p> <p>At school we would also use this opportunity to highlight how the text is set out. This is not a story book layout but something we call non-fiction. Instructions are numbered and then laid out in a list. If you started with instruction 3 then 5 then 1 would the lantern turn out right? So the numbers are important.</p>
Thursday		<p>Put yesterday's items in a box. Roll a dice or turn over a numeral card. Remove that number of items. How many are left?</p> <p>Counting in 2s , 5's and 10's with " Scratch Garden" on YouTube</p>		<p>Watch the story of the Chinese Zodiac</p> <p>https://www.bbc.co.uk/cbeebies/watch/chinese-new-year?collection=chinese-lunar-new-year</p>	<p>Do some Chinese dancing to our Chinese party music.</p> <p>Take part in our Calm mindful session form the tips for teaching part of the webpage in Reception's folder.</p> <p style="text-align: center;">This year it is the year of the OX .</p> <p>Do some mindful colouring sing the resources provided or draw your own pictures</p> <p style="text-align: center;">Have a mindful afternoon.</p> <p>Please feel free to use the 'Calm Me Time At Home' Session whenever you need. It can be particularly useful a little before bedtime as part of a routine or when children are getting distressed.</p>
Friday		<p>Number stories / problem solving. See Resources for ideas and adapt to individual's needs.</p>		<p>"Ruby's Chinese New Year" by Vickie Lee</p> <p>https://www.youtube.com/w</p>	<p>Each of us have one of the Chinese animals in the zodiac race as our animal depending on the year you were born so that makes you children either a Monkey or a Sheep. I am a Rooster! (Miss Parker because I was born in 1969).</p> <p>See the activities that you can do to put up in your house as part of your New Year's celebrations.</p>

Spring 1 Week 6 Home-School Learning Timetable

				atch?v=XfoO GzSciL8	Are you a Monkey or a sheep? is anyone in your family a Rooster like me? Find some activities on line to help you make, paint, draw or collage your animal.
--	--	--	--	------------------------	--

Handwriting patterns for each day :

Monday : C o a d g q Tuesday : l i t j y u Wednesday : m n r b h k Thursday : v w x z s e f Friday : Number formation day

The above is an indication of the direct teaching that we will be doing in school.

In addition our days are always full of 'project work'. This is when children are given an opportunity to engage in open ended practical based opportunities. These include :

Whatever you want to be Role Play. (An area with dressing up, hats, wigs, some items of jewellery, pots pans etc.)

In this area children invent their own role play from doctors, home play, police and superheroes. Sometimes we rotate the resources around to allow for their interests.

Art materials to access freely? (Clay, paint, pens, stamps, cut and stick materials and recycled boxes and pots).

Block Play. (An excellent activity to enhance creativity, imagination, problem solving and skills which support what you may see as more academic subjects).

Small world Play. (A chance to retell stories and invent them an important prequel to writing extended pieces further up in the school).

Independent play is vital for young children. Play allows children to use their creativity while developing their imagination, dexterity, and physical, cognitive, and emotional strength. Play is important to healthy brain development. It is through play that children at a very early age engage and interact in the world around them.

See the HLC-(Healthy Living Club -Week 6 in this week's resources for lunchtime ideas.
