Nursery Newsletter 15th October 2021

We have been **extremely proud** to see the children coming into Nursery independently this week and we would like to say a **huge thank you** to parents for your support with this extra effort to keep each other safe.

Humpty Dumpty

This week we used a story map to learn the Humpty Dumpty rhyme and actions. The children had great fun learning a new verse and performing it together. When we knew the rhyme and actions really well we changed some of the words and actions. E.g. Humpty Dumpty sat on a ball (this made us giggle!). Maybe your child would like to perform our rhyme and actions for you and relatives at home?

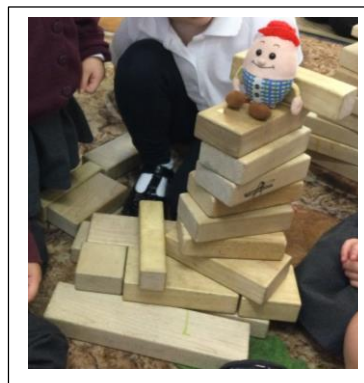

Humpty Dumpty sat on a wall
Humpty Dumpty had a great fall
All the king's horses
And all the king's men
Couldn't put humpty together again

Verse 2.

Humpty Dumpty counted to ten
Humpty Dumpty got up again
All the King's Horses
And all the king's men
Were happy that Humpty's together again.

Another popular activity this week was when we challenged the children to build a wall for Humpty to sit on. This led to some lovely discussion about how to make a strong wall and which materials would be best. The children discovered that it was actually really difficult to steady Humpty Dumpty on our walls and this led to further discussions about his shape. "He's oval....he can't stand up...he keeps rolling." Some of the children, very cleverly, made special seats for Humpty on their wall to keep him safe.

Dates for Diary

Parent Consultations - Friday 22nd October and Monday 1st November

Wishing you a super weekend.

The Nursery Team.
