

## Monday & Tuesday Activities

### Spider Drive

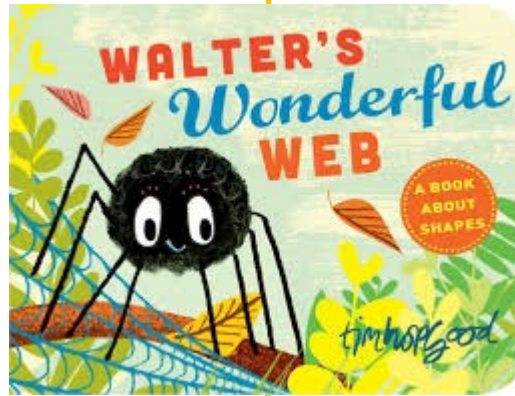

Have you ever played the game beetle drive? This is the same but with the parts of a spider.

All you need is a dice, a pencil and some paper.

Role the dice and look at which parts of the spider you can draw. The winner is the first to draw a complete spider.

Use the attached sheet to help with your game.

Have fun!

Listen to Mrs Mason  
read the story  
'Walter's Wonderful  
Web'

You could make your own spider using a cardboard tube. You will have to use your very careful cutting skills.

Use your spider to make as a  
template to make a spider  
picture.
