

Reception Newsletter: 24.10.19

A huge thank you from all the team in Reception for your support. We have had a wonderful start to the new academic year.

Your incidental observations have been exemplary, these high quality responses help to build a picture of your child's levels of development and inform our assessment procedures.

Have a super half term break and we look forward to meeting some more parents at the progress meetings after the holiday.

The appointments are 10 minutes and this is to discuss your child's progress so far, both academically and emotionally.

We hope you enjoy some time off.

No water bottles in book bags please. We have had a few accidents with our reading material.

P.E bags have been sent home.

Please check names labels and replace them if they have fallen off.

If you have someone else's clothing please could you return it after half term.

Remember:

They should have a pair of shorts, a white round necked t-shirt, a pair of trainers or sand shoes and a pair of jogger bottoms for colder weather .

Some reading materials have been sent home for the holidays and don't forget to send us your observations.

Warning!

As part of the Reception Christmas Party Day we are off to The Northern Stage to see 'The Snow Queen'

The date is Tuesday 10th December.

We wanted to let you know in case you booked tickets and didn't want to go twice but also to give you ample time to say if you can help.

You will have to pay for your tickets and meet us there after drop off so think about this when you sign the letter to say you can help.

Those who volunteer will be drawn from a hat to decide on the final places.

More information will be available to you closer to the time.
