

Watch the animated story and talk about what happens each day to the caterpillar...

Use your fine motor skills to hold a cotton bud and dab paint on the caterpillar and butterflies - can you complete the repeating patterns? What is special about the pattern on butterfly wings?

'The Very Hungry Caterpillar'

Wednesday & Thursday Activities

Do you remember our number rhymes to help us write numbers? Practise saying each rhyme and try writing the number as you say it!

Can you find the letter sound that each picture begins with? Mark or copy the sound into the circle.

Butterfly pattern symmetry - look at the butterfly wings, colour in the circles on one side then copy the pattern, can you make the wings match? This is called symmetry!
